RUNS ON A SHARP MZ80K IN 8K

ESCAPE from the BASTILLE

They seek him here, they seek him there, that damned elusive Pimpernel! Join us on a trip back into history and the troubled times of the French Revolution. The aristocrats live in fear and many have been imprisoned in that bleak fortress — The Bastille. Here they await their fate at the blade of Madame Guillotine! Can you help the aristocrats escape to freedom? Lead the partisan force on a rescue mission into the heart of The Bastille — but beware the guards and booby trapped cells! If you get caught you'll lose more than your pride—the guillotine awaits any unlucky partisan captured on the mission. Can you aid the Scarlet Pimpernel — the most feared member of the partisans — and save the aristocrats from death and disgrace?
